“ What can I say that everyone doesn't already know. Aaron Huffman was one of the best people God put in my life. I'm so honored to have known him and have grown to love. I will cherish the memories of all the stories, conversations and laughs we had on the back deck. He was a great man who touched many lives along his journey on this earth. I will truly miss him, but have enough memories to never forget him. Thank you Mr. Aaron Huffman for being God sent.

“ Our brother wore multiple hats. He knew no strangers, everyone was just a friend that he just hadn't met yet. He enjoyed life and shared his life experiences to help others to do better. He taught me self defense, how to swim and how to work on cars. I enjoyed many Friday and Saturday night cruises in the esrly 1970s. You will ALWAYS be in my heart and memories. Love you Brother and will see you again!

“ I remember aways as a kid how I wanted to be muscular like him. I would spend the night when he lived in wheelersburg. I remember him coming home from work and eat a big bowel and cheerios lol. I would talk to him and he was always so patient with me. He always smiled and gave me a hug. I know I can never be anywhere close to who he was but he set a good example for all the young men in his life. He will always live with me in my mind and heart. God speed love Dougie
