“ I am so thankful for Bro. Boyd's influence on my family. I have memories of going to the Serviceman's Center in Jacksonville, NC. Listening to Bro. Boyd preach and sitting next to Mama Boyd. I will never forget the time I stayed the night with the Boyds after we left and moved back to Jacksonville. I was attending Thompson Elementary, and Bro. Boyd took me to school the next morning and asked me if I knew how to get there. He followed my directions, which lasted a street or two, and kept asking if I recognized the roads. I got to school on time. I also remember riding that van going to watch fireworks one hot summer. I have no doubt that a big reason my siblings and I are faithfully attending church and serving the Lord is because of the time he invested in my family all those years ago. I know he will be sorely missed. You are in my prayers. Elizabeth Alvis. (Eddie & Julie Evans daughter)
