“ *Midge was a very special lady and we will miss her. She was the person who introduced us when we were stationed at SJAFB and later stood up for us at our wedding along with Mike. We moved away from Goldsboro in 1994 and went back to visit the area in 2018 and she welcomed us back with open arms. Love ya Midge... till we meet again! 🥹*

“ She had a little smirk that always seemed to be saying ‘...and there’s more to the story than that!’ I always enjoyed her candid opinions and advice. Certainly one of a kind. Praying for her and her family.
