“ Ms. Dollice as I seat here typing this with tears in my eyes, I want to Thank you for the past 5-6 months we had to share with each other(felt like we've known each other for years), out of the 10 + years in home health field I do believe I bonded with you the most. We took to each other like we've known each other for years. You adopted me as one of your own as you would say. This hurt me to the core, I was just with you & now you're gone. You will be missed dearly my sweet Lady! I'll love you always & I'll always keep in touch with Your babies Rosalyn & Kelani & others. My condolences to the family. ~Kaleatha

As my days live on Im gonna ask God to keep me strong and give me strength to continue my journey. Shine ur bright light on me and let your spirit live in me to get over this hurt and pain . Ma i love u dearly and you will be truly missed. Until we meet again #NEVERFORGOTTEN.
