“ In times like these, it's hard to find the right words to say. In times like these we have to put our trust in God that He is so wise to make a mistake. He promised us that He would not put more on us than we can bear. We continue to know and understand that even in death, He still gets the glory. To be absent from the body is to be present with HIM!!! Look unto the Hills from whence cometh your help, All your help comes from the Lord who made Heaven and Earth. To be absent from the body is to be present with Lord.
