“ Dixon and girls, I'm sure you might not remember me but your family went to Grace Baptist Church in Princeton when our family was there too. Sure thought a lot of your Dad and Mom and all of you children. May God bless each on of you now and in the days ahead. Love in Christ, the Leo Edwards family.

“ Praying for Peace for family. I always looked up to Jack in School. He was friendly to younger students with his signature smile. Jack saved my father's LIFE on a cold winter's day. Daddy had a serious wreck in front of their house. He was bleeding from numerous facial cuts. (Took over 100 stitches to sew up) Jack wrapped his head with towels and took Daddy to hospital in his old pickup. Hospital said if Jack had not taken him he would have bled to Death! Jack has always been My HERO !! Jack's quick action gave me many years with my dad. I thanked him several times over the years.

“ Heaven has truly gained an Angel and I know to be reunited with Mrs. Smith made his big beautiful smile even bigger. Mr. Smith has always been so very special to me and I'll forever cherish our friendship, the wisdom he shared with me, (and I soaked up every bit of it that I could), and how he always greeted me with that signature smile. and big ole bear hug. I know he is seeing beauty we can only imagine and although we have lost a true Legend here in earth, I'll strive even harder to live by his beliefs to insure I will see him again one day. Rest easy Mr. Smith and I expect you to greet me smiling when it's my time.
