“ *What great memories Ronnie and I have of John. I remember at Halloween one year. Ronnie and John always sat at the end of the drive and would give out loads of candy. One year they were in a deep conversation while waiting on the trick-a-treaters. They looked up and along came a huge goat down the street that had gotten lose. It was so funny. They made sure the goat was safe and returned to the owner . So many good memories. He will be missed. RIP John.*
