

## Keith Brian Thompson

March 8, 1957 - December 1, 2023

Keith Brian Thompson was born on March 08, 1957, to the late Geneva Thompson Hayletts in Dudley, North Carolina. He attended Wayne County Public schools until he moved to Cedarhurst, New York and graduated from Lawrence High school in 1975. A few years later Keith joined the army. He travelled overseas for some time until he was ultimately stationed at Walter Reed in Washington, DC. While in the DC area Keith met his wife Samantha and had two children.

Keith had an infectious spirit, when he walked into the room you knew immediately. You either heard him or seen his big grin. He couldn't help but make people laugh, and it was always a good time to be around him. Going back home to Dudley to laugh and hang with his cousins was one of his favorite things to do. He loved to cook on the grill, watch and talk about sports and was an avid Dallas Cowboy Fan. Keith and his family were very close, his most precious times were spent at home together.

Keith was called home on December 1, 2023, at the age of 66 in Gaithersburg, Maryland. He is now resting in peace with no more pain and suffering. He was a strong and courageous fighter who never gave up. Despite the pain, Keith remained strong and always kept a smile on his face. He loved his family, and all those who were blessed to know him felt his love.

He is preceded in death by his mother Geneva Thompson Hayletts, brothers Jerry Thompson, Billy Ray Thompson and sister Carolyn Bundy who he was able to connect with in his later years.

Keith leaves behind his wife Samantha Bravo Thompson, children Keith and Kiaya Thompson, sister Deborah Thompson, sisters-in laws, brothers-in laws, a host of nieces and nephews, cousins, and dear friends. Too many to name. He will be missed very much but we will honor his memory and cherish the moments forever.

“ We're sending our most sincere condolences to the family from my wife Kim and I. Keith was a true friend and full of life. I had the distinct pleasure to work with for several years. We were brothers serving our country, he in the US Army, me in the US Navy. We always communicated on Memorial Day, Veterans Day, and the during the annual Army-Navy game. We became much closer after he retired, especially over the past 2-3 years. We had many phone conversations over the past year, I will miss reading the Bible with him on the phone. I will cherish those moments always! I will always remember his courage through all the hard times. I will miss his love, friendship, and his laugh. He always brought light into the room/conversation, always positive, and you knew how much he loved life and people. My brother I miss you but I know that you are with our Lord and Savior Jesus Christ and we will see each other again one day! Rest in peace!!

*Great guy and friend. Always talked about the love of his beautiful family and full his life was. Lived and partied hard and loved his family even harder. May his family remember all the wonderful times and great conversations. He will look down from Heaven and still be smiling. He will be missed but never forgotten. Rest in peace friend. You fought the good fight for as long as you could. Keeper laughing up there.....*

*On behalf of the UK branch of the Bravo family, we'd like to pay tribute to a wonderful man, father, brother-in-law, uncle and friend. We truly lost a real one. Larger than life and with a smile to match, he will missed and remembered with immense fondness. The suffering has ended and his journey to the ancestors begins. It was an honour and a blessing to know you Big Keith and we take comfort knowing you won't be far from our daily lives and in our hearts.  
Jah blessings*
