# Tribute Wall

“ I was blessed to be able to grow up in a church with Doris and Louie. They became family to us. We had the pleasure to spend a lot of time at their house when I was a child before they moved and those memories I still hold near and dear! Louie was a great man, a real american, they definitely broke the mold after him because they do not make em like that anymore. He will be missed dearly.

We have been blessed in knowing Doris and Louie! They were always busy doing nice things for others! I know Doris will continue their work as she continues on her earthly journey! They will be together again someday in the presence of God! Louie will be missed by all who knew him!

“ Some people touch your life, others like Louie and Doris Sass enrich your life. Growing up as part of the extended family I can't imagine what life would have been like without them. Louie was a great friend, and father figure. He taught me a lot about life.
