“ ?There's so much to say about Shawn. But 1will as stand out forever &that is "He loved his wife &children." I met Shawn through relative's back in 2006. We all were party animals then. But when he settled down &became a family man,&he did it faithfully. I was so proud of him. &To his family: I pray God rest peace upon your hearts that Shawn loved y'all more then anything. &I'm sure he made sure y'all felt that. Hold on to those kinda memories of him. With heart felt sympathy, I'm so sorry for your lost. May God's hand cover all of you,&bring comfort at this difficult time. ?
